Notes:

- No extra stock included. No specifications provided (no manual). Check with GC to confirm that no additional material required for stock.
- Order in full box amounts
- Base and transitions are EXACT amounts - recommend getting a bit more to allow for cuts. Check specs for extra stock and also if rolls are required.
- * No pre-formed corners included so qualify all as job formed.

Exclude:

- concrete floors, polished floors, wood base, metal base, thresholds, floor and wall tile, tile transitions, tile base, stair flooring

Qualify:

- Assumed all product direction to be East-West, since no arrows provided on plans.
- Included wall base at all perimeter building walls (per BT Floors request)
